

WANT TO PRESENT YOUR TECH?

20 frontrunning Israeli & Swedish start-ups, scale-ups & SMEs are given the opportunity to pitch at The Connector to the R&D heaviest Israeli & Swedish MNEs & academia, with the goal to launch joint market-oriented R&D projects.

WHAT DO I GET?

3 minutes to present your; competence & technology, next R&D idea, profile of ideal R&D partner and references to leading Israeli and Swedish MNEs and Academia.

- Among our industrial partners: ABB, GE Research, Intel, SCA, CEVT
- Among our academia partners: Chalmers, Linköping University, Yissum & Lund's University

HOW DOES THE SELECTION PROCESS LOOK LIKE?

The Connector Advisory Board will evaluate applications and select top 20 start-ups & SMEs to pitch at The Connector on March 24.

Applications are continuously evaluated. Pitching companies will be asked to provide presentation material according to pre-defined template.

HOW DO I APPLY?

Apply by filling out the application form & **submit no later than February 28.**

More information about The Connector: www.theconnector.co.il.
